LIFE ADVENTURE CENTER

The Nature Program at *Life Adventure Center* seeks to *empower participants* through experiential learning. Students learn about the importance of their role in the environment as well as their impact on the world around them.

Our **575 acre** working farm is a **National Wildlife Federation Certified Wildlife Habitat**, and contains a 250+ acre forest. Rich in ecological diversity, our property is full of wildlife and opportunities to learn about the environment.

Our professional facilitators engage participants in playful learning. *Lessons are custom designed to meet your group's specific learning goals.* We provide half-day, full-day, and even overnight **ADVENTURES!**
